Employee's Name (Please PRINT)

As a member of the CT Police and Fire Union you have the opportunity every two years to bid for the job location where you will work. Final work assignments are made according to seniority.

TO PLACE YOUR BIDS, print this form and fill it out, sign it, and then return it to your supervisor by **OCTOBER 18, 2011**. Fill out the form by indicating your preference for working in each of the 62 jobs listed: write 1 next to the job you prefer the most, 2 next to your second choice, etc. Print your name at the top of each page and sign at the end.

Be sure to consider the Job Locations and Schedules before making your choices.

IF YOU WANT TO STAY WHERE YOU ARE be sure to indicate "1" for a job in your own location with your schedule and "2", "3", etc., for other jobs listed in your location. Then prioritize all the other locations and schedules according to your preference.
